

Larimer County's recognition of democracy at work - the Women's Equality Day celebration (WED) - is being held August 22, 2024, and you'll want to be part of this salute to women community leaders at the forefront of civic engagement. All WED proceeds benefit the **League of Women Voters of Larimer County**, our community's nonpartisan, nonprofit 501(c)(3) organization working to protect and expand voting rights and ensure everyone is represented in our democracy.

Women's Equality Day Celebration

August 22, 2024

Sweet Heart Winery and Event Center
Loveland, Colorado

The **Women's Equality Day** celebration will feature a nonpartisan speaker with unique insights into the challenges of democracy and leadership in 2024. One or more women community leaders will be honored for their contributions to advancing equity for women. [2023 awardees included Fort Collins City Councilor Julie Pignataro for her work to create an Equity Office, get taxes removed from menstrual products, and help pass a city ordinance that prohibits discrimination; former Loveland City Council candidate Caitlin Wyrick for her work with Heart and Sol to promote diversity in government and increased participation from under-represented groups; and Barbara Hansen of Loveland, past Larimer League's Voter Services Team leader]. In addition to sponsorships and ticket sales, a silent auction will be held to raise funds. One hundred guests are expected to attend the August 22nd event.

The **League of Women Voters of Larimer County** is a member of the national League of Women Voters, formed when women gained the right to vote in 1920. Throughout the League's more than 100-year history working in all 50 states, our focus has been to expand participation and give a voice to all Americans. We empower voters and defend democracy through **advocacy, education, and litigation**, at the local, state, and national levels. **Voting rights, improving elections, providing nonpartisan election information, and news accuracy and access are critical elements of our work in 2024.** The League never endorses, supports or opposes any political candidate or political party.

Now more than ever, we are encouraging democracy-minded businesses and individuals to join our initiatives to Make Democracy Work. All Women's Equality Day celebration proceeds will support efforts to ensure that every eligible voter has the freedom to vote, provide election services (registration programs, debates & forums), compile and share [VOTE411](#) information (our digital guide to election information such as polling locations, candidate info, and registration deadlines), and more.
